Capability Statement www.remcorusa.com

Our experts specialize in creating and guiding the implementation of highly researched and analyzed programs through specifically identifying key threats towards agencies, businesses, and programs through our own risk development, analysis and resolution processes.

CORE COMPETENCIES

Program/Project Management

- Not every Program or business requires the same management strategy, nor do they have the same risks. Our expert team will listen to your needs and work hand in hand every step of the way to develop and assist in the success of your program/project.

Strategic Planning

- At R.E.M.C.O.R. we take an in-depth look at your existing or draft vision or plan for the strategic future. Our strategic experts will take 5, 10 and 20 year looks at your business plan and model, suggest changes, or even write your vision and strategy for long-term sustainability.

Emergency & Disaster Planning

- With all the unpredictability in the world, there is no possible way to be prepared for the unexpected, but we believe you can have a plan in place for things that you have no control over. We provide experts in emergency and disaster response to help you prepare and protect your future.
